

DO YOU WANT TO COMPLETE A HEART HEALTH ASSESSMENT TO SUPPORT YOUR AND YOUR CHILD'S HEALTH?

WE ARE INVITING PARENTS AND CAREGIVERS IN THIS PEDIATRIC CLINIC TO COMPLETE A ONE-TIME SURVEY ABOUT THEIR HEALTH HABITS

WHAT DOES PARTICIPATION INVOLVE?

- A one-time online anonymous survey
- Takes about 30 minutes
- Questions about your diet, physical activity, sleep, tobacco or nicotine exposure, stress, and a few questions about your child's health (sleep, diet, activity)
- You may skip any question or stop at any time

WE ARE LOOKING FOR PARTICIPANTS WHO ARE:

A parent or primary caregiver who:

- Is 18 years or older
- Here with a child under 18 for a pediatric visit
- You can read English or Spanish

You can complete it now, after reading more here:
